Registration Procedure

New students, and those who have not been enrolled for more than two semesters, must complete the Admission Process at [www.richland.edu/newstudents/apply-enroll-at-richland/admission-requirements/](http://www.richland.edu/newstudents/apply-enroll-at-richland/admission-requirements/) before being eligible to register for courses.

ONLINE Classes (sections beginning with V), where you receive all of your instruction and assignments online with specific due dates as outlined by the Instructor. Instructors might provide opportunities for live virtual sessions.

ONLINE LIVE Classes (sections beginning with D), where there is a mandatory time when the Instructor and students are online together. An example of this is a live lecture streamed to students over the Internet. All other course materials and assignments are provided online and available at any time during a specified period as outlined by the Instructor. Scheduled time requirements will vary between courses and sections so please be sure to refer to the fall course schedule for more information.

HYBRID Classes (sections beginning with Y) are a combination of face-to-face and ONLINE or ONLINE LIVE.
